Dear Dave,

We would like to take a moment to extend a big thank you to you for volunteering your services on February 26 for the local 4-H program. The Sarasota County 4-H Demonstrations Event was extremely successful this year at the Colonial Oaks Baptist Church on Cattlemen Road in Sarasota. Your effort was a major reason for that success. Approximately 60 4-H presentations were given by 4-H members before a panel of judges in the various categories. The judges did an outstanding job at offering the participants support and encouragement. We noticed a lot of smiles on children's faces that day.

Room monitors were very helpful in providing for a smooth running event. The awards for this competition will be presented along with judges score sheets at the March 23 (8:30 p.m.) Awards Ceremony on the new 4-H Stage at the Sarasota County Fair. You are all welcome to watch the Demonstration Day participants receive their awards.

You have helped 4-H youth gain their confidence in speaking before a group of people. This is something many adults find difficult to do. It was a very positive experience for the children and we thank you again. You will always be welcome to be a part of the event in the future.

Sincerely,

Keith Wilson
4-H Agent
