Dave:

You have a nice website & your latest Pet Pages is great!

HSSC will be loading our lost & found animals in next few days. Also, we have established a link to your website from HSSC's website: <http://www.hssc.org>. (click "friends of hssc") We are receiving over 10,000 hits per month & growing. I am requesting that you set up a reciprocal link from your site to ours. Please reply to this request by e-mail or work phone 955-4131 ext.305.

Also, our volunteer website administer will be highlighting your lost & found service on our website.

I look forward to hearing from you.
