Dear Dave,

The faculty and staff at Lincoln Middle School would like to thank you for participating in our first annual Pet Fair. Having so many animal experts together in one setting provided our 7th grade students with an invaluable learning experience. Not only were they presented with knowledge concerning animal care and awareness, but they were also given the opportunity to see first hand how helpful pets can be and also how precious and needy they are. If this event touched just 1 student (and we know there were more), then we consider it a huge success. Thank you again for contributing your time and expertise to the children of Palmetto. We're looking forward to working with you next year.

Sincerely,
